## Have You Been Robbed Yet? Your Neighbor Has

Serious words for a serious situation. Since January 2011, the Orange County website reports there were 53 robberies and burglaries in our District—10A. Of those, 21 were in Tangerine. That equates to 40 percent!

Faced with those numbers, the TIS board has taken on crime prevention and awareness as its most pressing issue.

You'll see TIS members walking our neighborhoods distributing flyers advising of the April 28 Crimewatch meeting with

the Orange County Deputies. It is set to begin at 7 PM at TIS Hall.

No more excuses! Get involved and get your neighbors involved ... it's the only way we're going to beat the bad guys.

## Sign Up for Tangerine Progressive Dinner

Ready for some fun and a new dining experience? Mary Pezzo would like to organize a “Progressive Dinner” for June 11.

Here's the agenda ... Stop by the Cinnamon Inn for appetizers, select the location of your “Dining Appointment” for the main entrée & salad and then return to TIS for dessert and coffee. The cost is \$15 per person.

Each host/ess would be reimbursed for the actual cost of the food. All remaining funds would go to the TIS “Building Fund.”

To make this a successful and fun evening, we need 2 or 3 people to help with appetizers, 7 for the entrée and 2 for the desserts & coffee. Plan on 6 to

8 guests at your home for about 45 minutes before they move on to the next stop. All hosts would start off and finish with the rest of the guests at the Cinnamon Inn and TIS Hall.

Several of our members have participated in Progressive Dinners loved the idea of doing one here.

To make a reservation, sign up to be a host or just make inquiry, please contact:

**Drop Off Your Old Eyeglasses & Hearing Aids**

**When:** May 14 from 10 am until noon  
**Where:** Mount Dora & Eustis Post Offices or TIS Hall (anytime)  
**What:** Hearing Aids/ Batteries, Eyeglasses & Cases  
**Who:** The Lions Club

Hearing aids and glasses are reconditioned and used in programs to assist seniors and children who need the devices but cannot afford them. Last year more than

30,000 eyeglasses were collected in Central Florida with over 2,000 going to local families and 28,000 for projects in developing countries. Central Florida Lions

volunteered more than 8,000 hours collecting, sorting and providing eyeglasses for those in need. Money to support the eye, hearing and other programs is earned by fund-raising events.

Lions were charged by Helen Keller in 1925 to become "Knights for the Blind". To find out more about membership in the Mount Dora Lions, call Mary Pezzo at 352 735 9629 or visit [www.mountdoralions.org](http://www.mountdoralions.org).

- Orange County landscapers have submitted their final plans for the Tangerine park. The design is posted on the board at the TIS Hall.
- Welcome new board member George Lapierre!

**Kitchen Konnection by Kristi Anthony**

3 "MUST HAVES" in your kitchen:

Alfredo Sauce, Ranch Dressing, & Apple Jelly! Why?

Think of Alfredo & Ranch as a basic white sauce. Add any seasoning to completely change their flavor. Try Lemon Pepper, BBQ, Steak, Curry or any seasoning you have. You'll be surprised! Melt Apple Jelly (2-3 T) & pour over your fruit salad to add shine & reduce browning. Add to chicken or pork before cooking to add sweetness. Pour over desserts, too!
